

Fall 2014 Student Course Evaluation Results  
Sorted by Course

Responses scored on Likert scale of: 5=Strongly Agree, 4=Agree, 3=Neutral, 2=Disagree, 1=Strongly Disagree, and a No Opinion choice available.

			Participation		The Course							The Instructor						
Subject Code	Course Number	Instructor Name	Class Size	Response Rate	The course was well structured with clear objectives and requirements.	The course materials (texts, audio/visual, supplemental materials) were appropriately chosen and useful relative to the course objectives.	The course assignments (homework, projects, tests and quizzes) were relevant based upon the course objectives, materials, and lectures.	The course had clear grading criteria supported by course objectives and content.	The pace, content, and design of the course challenged me to do my best work.	Overall, the course was effective.	Course Average	The instructor demonstrated a thorough knowledge of the course content.	The instructor clearly and effectively communicated course content and requirements.	The instructor addressed students' concerns professionally, respectfully and in a timely manner.	The instructor clearly communicated and impartially applied grading criteria.	The instructor was enthusiastic about the course content and working with students.	Overall, the instructor was effective.	Instructor Average

Fall 2014 Student Course Evaluation Results  
Sorted by Course

Responses scored on Likert scale of: 5=Strongly Agree, 4=Agree, 3=Neutral, 2=Disagree, 1=Strongly Disagree, and a No Opinion choice available.

		Participation		The Course							The Instructor							
Subject Code	Course Number	Instructor Name	Class Size	Response Rate	The course was well structured with clear objectives and requirements.	The course materials (texts, audio/visual, supplemental materials) were appropriately chosen and useful relative to the course objectives.	The course assignments (homework, projects, tests and quizzes) were relevant based upon the course objectives, materials, and lectures.	The course had clear grading criteria supported by course objectives and content.	The pace, content, and design of the course challenged me to do my best work.	Overall, the course was effective.	Course Average	The instructor demonstrated a thorough knowledge of the course content.	The instructor clearly and effectively communicated course content and requirements.	The instructor addressed students' concerns professionally, respectfully and in a timely manner.	The instructor clearly communicated and impartially applied grading criteria.	The instructor was enthusiastic about the course content and working with students.	Overall, the instructor was effective.	Instructor Average

Fall 2014 Student Course Evaluation Results  
Sorted by Course

Responses scored on Likert scale of: 5=Strongly Agree, 4=Agree, 3=Neutral, 2=Disagree, 1=Strongly Disagree, and a No Opinion choice available.

			Participation		The Course							The Instructor						
Subject Code	Course Number	Instructor Name	Class Size	Response Rate	The course was well structured with clear objectives and requirements.	The course materials (texts, audio/visual, supplemental materials) were appropriately chosen and useful relative to the course objectives.	The course assignments (homework, projects, tests and quizzes) were relevant based upon the course objectives, materials, and lectures.	The course had clear grading criteria supported by course objectives and content.	The pace, content, and design of the course challenged me to do my best work.	Overall, the course was effective.	Course Average	The instructor demonstrated a thorough knowledge of the course content.	The instructor clearly and effectively communicated course content and requirements.	The instructor addressed students' concerns professionally, respectfully and in a timely manner.	The instructor clearly communicated and impartially applied grading criteria.	The instructor was enthusiastic about the course content and working with students.	Overall, the instructor was effective.	Instructor Average

Fall 2014 Student Course Evaluation Results  
Sorted by Course

Responses scored on Likert scale of: 5=Strongly Agree, 4=Agree, 3=Neutral, 2=Disagree, 1=Strongly Disagree, and a No Opinion choice available.

		Participation			The Course							The Instructor						
Subject Code	Course Number	Instructor Name	Class Size	Response Rate	The course was well structured with clear objectives and requirements.	The course materials (texts, audio/visual, supplemental materials) were appropriately chosen and useful relative to the course objectives.	The course assignments (homework, projects, tests and quizzes) were relevant based upon the course objectives, materials, and lectures.	The course had clear grading criteria supported by course objectives and content.	The pace, content, and design of the course challenged me to do my best work.	Overall, the course was effective.	Course Average	The instructor demonstrated a thorough knowledge of the course content.	The instructor clearly and effectively communicated course content and requirements.	The instructor addressed students' concerns professionally, respectfully and in a timely manner.	The instructor clearly communicated and impartially applied grading criteria.	The instructor was enthusiastic about the course content and working with students.	Overall, the instructor was effective.	Instructor Average

Fall 2014 Student Course Evaluation Results  
Sorted by Course

Responses scored on Likert scale of: 5=Strongly Agree, 4=Agree, 3=Neutral, 2=Disagree, 1=Strongly Disagree, and a No Opinion choice available.

			Participation		The Course							The Instructor						
Subject Code	Course Number	Instructor Name	Class Size	Response Rate	The course was well structured with clear objectives and requirements.	The course materials (texts, audio/visual, supplemental materials) were appropriately chosen and useful relative to the course objectives.	The course assignments (homework, projects, tests and quizzes) were relevant based upon the course objectives, materials, and lectures.	The course had clear grading criteria supported by course objectives and content.	The pace, content, and design of the course challenged me to do my best work.	Overall, the course was effective.	Course Average	The instructor demonstrated a thorough knowledge of the course content.	The instructor clearly and effectively communicated course content and requirements.	The instructor addressed students' concerns professionally, respectfully and in a timely manner.	The instructor clearly communicated and impartially applied grading criteria.	The instructor was enthusiastic about the course content and working with students.	Overall, the instructor was effective.	Instructor Average

Fall 2014 Student Course Evaluation Results

Sorted by Course

Responses scored on Likert scale of: 5=Strongly Agree, 4=Agree, 3=Neutral, 2=Disagree, 1=Strongly Disagree, and a No Opinion choice available.

			Participation		The Course							The Instructor						
Subject Code	Course Number	Instructor Name	Class Size	Response Rate	The course was well structured with clear objectives and requirements.	The course materials (texts, audio/visual, supplemental materials) were appropriately chosen and useful relative to the course objectives.	The course assignments (homework, projects, tests and quizzes) were relevant based upon the course objectives, materials, and lectures.	The course had clear grading criteria supported by course objectives and content.	The pace, content, and design of the course challenged me to do my best work.	Overall, the course was effective.	Course Average	The instructor demonstrated a thorough knowledge of the course content.	The instructor clearly and effectively communicated course content and requirements.	The instructor addressed students' concerns professionally, respectfully and in a timely manner.	The instructor clearly communicated and impartially applied grading criteria.	The instructor was enthusiastic about the course content and working with students.	Overall, the instructor was effective.	Instructor Average
